bootstrapping.me

Our mission is to help women to find the perfect dress. Therefore we offer a large variety of dresses from 120 designers. If the woman wants to buy it in a local store, she can see the dress in person. This saves time and money. Furthermore women can buy second-hand dresses from other women in our peer-to-peer marketplace or they ask one of our many partners for a customized dress. Additionally many dresses can be bought directly from us or our partners.

the largest variety possible with 4,000 dresses from 120 partners and see their inventory before she goes there. That way women can buy second-hand dresses from other women in our peer-to-peer marketplace or they ask one of our many partners for a customized dress. Additionally many dresses can be bought directly from us or our partners.

Weddings are expensive

bootstrapping.me

Yearly spending for weddings in Germany

We want our piece of this cake

A wedding is often celebrated as a once-in-a-lifetime event. The guests) and the food, location, entertainment, invitations and presents for the church, party and registry office. In total such a

... spend a lot for the perfect day. Think about the party (100 guests) and the food, location, entertainment, invitations and presents for the church, party and registry office. In total such a wedding can easily cost up to 50,000 € for a weekend.

YYY € monthly marketplace volume
